

Hornell Area Humane Society Wish List

Your donation means a great deal to our organization, but it means even more to the animals that depend on us for survival. From the puppy chewing on his favorite toy to the cat snuggling up in a warm pet bed, your donations help our animals feel a little more comfortable and at home here during their stay.

While our first goal is to get these animals placed in loving forever homes as quickly as possible, the reality is that this process can sometimes take a significant amount of time. Having these little pet "luxuries" will help these animals during this transition period. Listed below is our "Wish List" of supplies needed.

MOST NEEDED ITEMS ARE MARKED WITH A STAR
